Procedure for YMCA After School Children Attending Additional After School Activities

If your child is currently or plans to attend a non-YMCA after school activity, please follow the procedure below:

1. Notify the YMCA After School Director in writing by completing a form from your Site Director. You must include details consisting of the days and times in which your child will be attending. This must be done at least 5 days before the program starts. You must complete one form for each non-YMCA program that your child is currently or plans to attend.
2. Notify the person who will be responsible for your child during the after-school activity, that your child is an after-care student and that your child must be escorted to the YMCA after care program. (the YMCA's procedure would never leave a child alone without any adult supervision, however we cannot control the procedure of non-YMCA programs) It is up to you as a parent to be sure the program your child enrolls in would follow that same procedure.

The YMCA After School Programs have always tried to do their best to accommodate all parents whose children have after school activities. However, our directors have a responsibility to the after-school program as a whole. Directors are NOT permitted to go around the school building to collect children from their after-school activities. If the YMCA is expecting your child and he/she does not arrive, the YMCA After School Directors will begin to look for them and call you. However, it is ultimately the responsibility of the non-YMCA program supervisor to make sure the child has arrived at the YMCA program or has been picked up by their parent.

PICK UP & EMERGENCY CONTACTS

CHILD'S NAME: _____

List all persons approved to pick up the child, including parent/guardians. The child will not be released to anyone else without written permission from parents/guardians. Please note these individuals must be able to provide photo identification to YMCA staff.

You are required to have an Emergency Pick Up Plan for your child. In the event that the school building is closed unexpectedly, due to inclement weather, loss of electricity, etc., the SACC program may be cancelled. If such a situation should arise, we need to know whom to call if we are unable to contact you.

Please make advanced arrangements with three adults upon whom we may call to quickly pick up your child. Please list them below with all the required information. We recommend that you choose adults who reside or work close to the school. Any additional individuals can be added on another sheet of paper if necessary.

It is sometimes necessary to contact a parent or guardian during the day because of accident, illness or absenteeism. We will try to contact parents/guardians first. However, if we are unable to contact you, we will call the people listed below.

EXPULSION POLICY

Unfortunately, there are sometimes reasons we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

The following are reasons we may have to expel or suspend a child from this center.

IMMEDIATE CAUSES FOR EXPULSION

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children.

PARENTAL ACTIONS FOR CHILD'S EXPULSION

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Habitual tardiness when picking up your child.
- Verbal abuse to staff.
- Other (Explain)

CHILD'S ACTIONS FOR EXPULSION

- Failure of child to adjust after a reasonable amount of time
- Uncontrollable tantrums/angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.
- Other (Explain)

SCHEDULE OF EXPULSION

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of the expulsion period and the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks' notice depending on the risk to other children's welfare or safety). Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

A CHILD WILL NOT BE EXPELLED IF A PARENT/GUARDIAN

- Made complaint to Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the center
- Questioned the center regarding policies and procedures.
- Without giving the parent sufficient time to make other child care arrangements.

PROACTIVE ACTIONS THAT CAN BE TAKEN IN ORDER TO PREVENT EXPULSIONS

- Try to redirect child from negative behavior.
- Reassess classroom environment, appropriateness of activities, supervision.
- Always use positive methods and language while disciplining children.
- Praise appropriate behaviors.
- Consistently apply consequences for rules.
- Give the child verbal warnings.
- Give the child time to regain control.
- Document the child's disruptive behavior and maintain confidentiality
- Give the parent/guardian written copies of the disruptive behavior that might lead to expulsion.
- Schedule a conference including the director, classroom staff, and parent/guardian to discuss how to promote positive behaviors.
- Give the parent literature of other resources regarding methods of improving behavior.
- Recommend an evaluation by professional consultation on premises.
- Recommend an evaluation by local school district study teams

I have read and received a copy of the expulsion policy prepared by the Bureau of Licensing to the Division of Youth and Family ServicesB

INFORMATION TO PARENTS

Under provisions of the Manual of Requirements for Child Care Centers (N.J.A.C. 3A:52), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents and staff this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent and staff member's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing Law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center. To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and recordkeeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view a copy of the Manual of Requirements on the DCF website at <http://www.nj.gov/dcf/providers/licensing/laws/CCCmanual.pdf> or obtain a by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, New Jersey 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center's copy of the OOL's Inspection/Violation Reports on the center, which are available soon after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the OOL's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review or you can view them online at https://data.nj.gov/childcare_explorer.

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the OOL for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents. Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to provide reasonable accommodations for children and/or parents with disabilities and to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Anyone who believes the center is not in compliance with these laws may contact the Division on Civil Rights in the New Jersey Department of Law and Public Safety for information about filing an LAD claim at (609) 292-4605 (TTY users may dial 711 to reach the New Jersey Relay Operator and ask for (609) 292-7701), or may contact the United States Department of Justice for information about filing an ADA claim at (800) 514-0301 (voice) or (800) 514-0383 (TTY).

Our center is required, at least annually, to review the Consumer Product Safety Commission (CPSC), unsafe children's products list, ensure that items on the list are not at the center, and make the list accessible to staff and parents and/or provide parents with the CPSC website at <https://www.cpsc.gov/Recalls>. Internet access may be available at your local library. For more information call the CPSC at (800) 638-2772.

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the State Central Registry Hotline, Toll Free at (877) NJ ABUSE/ (877) 652-2873. Such reports may be made anonymously. Parents may secure information about child abuse and neglect by contacting: DCF, Office of Communications and Legislation at (609) 292-0422 or go to www.state.nj.us/dcf/.

No child may use Drop In Care without payment in advance and YMCA Office approval. Added Day Fees will apply to Emergency Drop In Care.

HEALTH

1. If your child will be absent from the SACC program, email the YMCA office by 12:00 noon (After Care) or 7:30 am (Holiday Care) at sacc@meadowlandsymca.org. We need to know where your child is every day for the child's safety and accountability.

3. No medicine can be administered by staff; but medication can be overseen by staff with doctor authorization and note from parent/guardian. Please contact the SACC Director for specific procedures and guidelines.
4. DO NOT send your child to the program if he/she has any of the symptoms listed in the Policy on the Management of Communicable Diseases outlined on the following page.

2021-2022 POLICIES AND PROCEDURES

POLICY ON THE MANAGEMENT OF COMMUNICABLE DISEASES

If a child exhibits any of the following symptoms, the child should not attend the program. If such symptoms occur at the program, the child will be removed from the group, and parents will be called to take the child home.

• Severe pain and discomfort	• Acute diarrhea
• Elevated temperature of 100.3 degrees Fahrenheit	• Episodes of acute vomiting
• Severe coughing	• Lethargy
• Yellow eyes or Jaundiced skin	• Red eyes with discharge
• Infected, untreated skin patches	• Difficult or rapid breathing
• Skin rashes in conjunction with fever or behavior changes	• Mouth sores with drooling
• Skin lesions that are weeping or bleeding	• Stiff neck

Once a child is symptom-free or has a health care provider's note stating that the child no longer poses a serious health risk to himself/herself or others, the child may return to the program unless contraindicated by local health department or Department of Health.

EXCLUDABLE COMMUNICABLE DISEASES

A child or staff member who contracts an excludable communicable disease may not return to the center without a health care provider's note stating that the child presents no risk to himself/herself or others.

Note: If a child has chicken pox, a note from the parent stating that all sores have dried and crusted is required. If a child is exposed to any excludable disease at the program, parents will be notified in writing.

COMMUNICABLE DISEASE REPORTING GUIDELINES

Some excludable communicable diseases must be reported to the health department by the center. The Department of Health's Reporting Requirements for Communicable Disease and Work-Related Conditions Quick Reference Guide, a complete list of reportable excludable communicable diseases, can be found at: http://www.nj.gov/health/cd/documents/reportable_disease_magnet.pdf.

FEVER/CONTAGIOUS DISEASES

If your child went home with a fever, your child will have to remain at home for 24 hours, fever free without medication, before returning to the program. In the case of a contagious disease, except chickenpox, a doctor's note will be required before the child can return. We understand that it is difficult for a parent to leave or miss work; therefore, we suggest that alternative care arrangements be made in advance. If a child has been absent due to a communicable disease, a doctor's note MUST accompany the child to school/program upon his/her return or he/she will NOT be permitted to stay in attendance at the YMCA for that day. (Please see communicable disease policy)

REQUIREMENTS

If a child is sick or injured at the YMCA we will notify his/her parent. In some cases, we may request that you immediately come for your child, in other circumstances we only inform you of your child's situation so that you can decide if some action should be taken.

NON-PRESCRIPTION MEDICATION

Only the following non-prescription (over the counter) medication will be administered.

1. Antihistamines/decongestants
2. Acetaminophen
3. Cough suppressants
4. Topical ointments

State licensing requirements for non-prescription medication states:

"... Which shall be dispensed in accordance with the recommended dosage, age and/or weight of the child, as indicated on the label."

Parent must then sign a Medication Permission form with the above note attached.

SNACKS

1. The YMCA attempts to make the food breaks healthful. If your child has dietary restrictions or allergies, be sure to indicate them on the health form.
2. Children for Holiday Care should bring bagged lunch to the program each day. Be sure to put your child's name on the bag. It is best to send non-perishable items.
3. Send lunch with your child when there is a half day at the after-school program unless notified otherwise.

PROGRAM

1. The SACC program is not responsible for articles that may be lost or damaged. Parents should provide a smock (or old T-shirt) if they wish to protect their child's clothing during art projects.
2. Discipline Policy – At the beginning of the year, the SACC children and staff will establish rules and regulations for our program. Children need to know what is expected of them and are likely to be more responsive to rules that they themselves have developed. Behavior that is destructive to ones' self or others WILL NOT BE TOLERATED and needs to be stopped immediately because of the danger of possible physical harm. Our goal is to channel such inappropriate behavior into more acceptable forms by redirecting the child to a new activity or removing the child from a situation where conflict exists. In the event that inappropriate behavior continues to exist, the following actions will be initiated: 1) Documented discussion as needed between on-site teacher and parent/guardian; 2) Parent/Guardian and coordinator will meet to discuss ideas on solving the conflict(s); 3) Parent/Guardian will be asked to keep the child at home for a few days; 4) If serious conflict still exists, the child's continued participation in the program will be jeopardized and ultimately terminated if improvement is not apparent. The YMCA reserves the right to immediately terminate a child's enrollment if a severe and flagrant problem occurs that jeopardizes the welfare of other children in the program. Please inform the staff if your children are having a problem with other children. Please do not deal with it on your own. We appreciate your cooperation.

2021-2022 POLICIES AND PROCEDURES

LEAVING AND PICKING UP CHILDREN

1. The YMCA is responsible for the children once they arrive at the SACC program area; once a child is signed out, the YMCA is no longer responsible for that child.
 - Children coming to the SACC program from school - We advise parents whose children are newly registered to write a note to their child's teacher advising them that their child will be attending the SACC program and to include the child's SACC schedule. The classroom teacher and YMCA staff shall coordinate the child's arrival to the program or to the staff responsible for the bus transportation to the Program Site. All children must report immediately to the YMCA After Care Program after dismissal from their classroom teacher.
 - Parents (or designated adults) that bring children to the Before Care or Holiday Care Program should escort the child to the YMCA staff person and sign in the child each day.
2. Only authorized persons listed on the information package may pick up the child. They must SIGN OUT THE CHILD EACH DAY AND PRESENT IDENTIFICATION TO STAFF.
3. Written notices must be given if a child is to leave with someone other than the authorized people on the information package; identification will also be required.

CUSTODY STATEMENT

1. It is your responsibility to inform the YMCA in writing (providing legal documentation) of any custody limitations for any person.

PARENTS' INVOLVEMENT

1. Involvement of parents in the program is essential.
2. Cooperation with all policies and procedures is basic.
3. Take every opportunity to talk with YMCA staff about your child.
4. Ask your child about the program every day.
5. While we do welcome visits from our parents, a visit will consist of a brief tour of our program in session. No parent/person shall remain at the site for any additional length of time. It is the responsibility of the staff to remain in ratio with the children. Staff also cannot allow any individual to remain on site that has not gone through the proper security clearances required by the State of New Jersey Childcare Licensing Office. If you need to speak with the director regarding the program or your child, an appointment needs to be set up with the Site Director in the afterhours of the program.
6. Please refrain from reprimanding any child that is in our program. Any problems or questions should be handled solely with the Site Director and/or YMCA Staff member.

PROCEDURE FOR YMCA AFTER SCHOOL CHILDREN ATTENDING AFTER SCHOOL ACTIVITIES

If your child is currently or plans to attend a non-YMCA after school activity, please follow the procedure below:

1. Notify the YMCA After School Director in writing as well as verbally confirm it. You must include details consisting of the days and times in which your child will be attending. This must be done at least 5 days before the program starts.
2. Notify the person who will be responsible for your child during the after school activity, that your child is an after care student and that your child must be escorted to the YMCA after care program. (the YMCA's procedure would never leave a child alone without any adult supervision, however we cannot control the procedure of non-YMCA programs) It is up to you as a parent to be sure the program your child enrolls in would follow that same procedure.
3. Most importantly. Discuss with your child on a daily basis, what their after school agenda will be each day. Write it down for them and put it in their book bag, in case they forget.

The YMCA After School Programs have always tried to do their best to accommodate all parents whose children have after school activities. However, our directors have a responsibility to the after school program as a whole. Directors are NOT permitted to go around the school building to collect children from their after school activities. If the YMCA is expecting your child and he/she does not arrive, the YMCA After School Directors will begin to look for them and call you. However it is ultimately the responsibility of the non-YMCA program supervisor to make sure the child has arrived at the YMCA program or has been picked up by their parent.

POLICY OF THE RELEASE OF CHILDREN

Each child may be released only to the child's parent(s) or person(s) authorized by the parents to take the child from the center and to assume responsibility for the child in an emergency if the parent(s) cannot be reached.

If a non-custodial parent has been denied access, or granted limited access, to a child by a court order, the center shall secure documentation to that effect, maintain a copy on file, and comply with terms of the court order.

If the parent(s) or person(s) authorized by the parent(s) fails to pick up a child at the time of the center's daily closing, the center shall ensure that:

1. The child is supervised at all times;
2. Staff members attempt to contact parent(s) or person(s) authorized by the parent(s)
3. An hour or more after closing time, and provided that other arrangements for releasing the child to his/her parent(s) or person(s) authorized by the parent(s), have failed and the staff members cannot continue to supervise the child at the center, the staff members shall call the 24-hour State Central Registry Hotline 1-877-NJ-ABUSE (1-877-652-2873) to seek assistance in caring for the child until the parent(s) or person(s) authorized by the child's parent(s) is able to pick up the child.

If the parent(s) or person(s) authorized by the parent(s) appears to be physically and/or emotionally impaired to the extent that, in judgement of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the center shall ensure that:

1. The child may not be released to such an impaired individual;
2. Staff members attempt to contact the child's other parent or alternate person(s) authorized by the parent(s)
3. If the center is unable to make alternate arrangements, a staff member shall call the 24-hour State Central Registry Hotline 1-877-NJ-ABUSE (1-877-652-2873) to seek assistance in caring for the child.

For school-age child care programs, no child shall be released from the program unsupervised except upon written instruction from the child's parent(s).

2021-2022 POLICIES AND PROCEDURES

USE OF TECHNOLOGY AND SOCIAL MEDIA

The YMCA recognizes that families and early educators have many different options for using technology with early learners. We believe that guidance needs to reflect the reality that families and early educators have access to apps, digital books, games, video chatting software, and a multitude of other interactive technologies that can be used with young children. Even as new technologies emerge, the YMCA believes that these principles apply, though guidance may evolve as more research on this topic is published.

Our four guiding principles for use of technology with early learners are as follows:

1. Technology, when used appropriately, can be a tool for learning.
2. Technology should be used to increase access to learning opportunities for all children.
3. Technology may be used to strengthen relationships among parents, families, early educators, and young children.
4. Technology is more effective for learning when adults and peers interact or co-view with young children.

POLICY ON THE METHODS OF PARENTAL NOTIFICATION

It is very important at the Meadowlands Area YMCA that we have open communication with our parents and staff members. We use many forms of communication to notify parents and staff members of news, reminders, updates, schedules and emergencies.

1. Lines of communications include but are not limited to.....
2. Telephone (landline-home number)
3. Cell phones
4. Work phones
5. Text – cell phone
6. Written “hard copies” given out at the site
7. E-mails
8. Mail

If parents need to contact the YMCA SACC/Camp Director, Site Director or Staff Members, they may use the office number or the SACC/Camp Site Phone Numbers.

COMMITMENT TO SAFETY

OUR COMMITMENT TO CREATING A CHILD SAFE ENVIRONMENT

The Meadowlands Area YMCA is dedicated to providing you and your family with a safe, welcoming atmosphere in all of our programs. Our staff and volunteers are critical to this goal.

The YMCA has in place a comprehensive pre-employment screening procedure to screen-out staff and volunteers not suited for working with children. Additionally, our staff and volunteers receive Child Abuse Prevention training and are required to adhere to a Code of Conduct, which 1) prohibits them from being alone with a child at any point, including having planned contact with youth participants when they are off duty - including babysitting, play dates, and communication online; 2) prohibits them from giving children any personal gifts or asking them to keep secrets; and 3) prohibits them from using their own vehicles to transport children.

Parents place their trust in the YMCA to help their children thrive. Our core values – caring, honesty, respect and responsibility- are part of everything we do. Because of this, we place a great value on creating the most child-safe environment possible. Parents are seen as program partners so your feedback is important to us, especially as it relates to the staff Code of Conduct. Please contact a Professional Director at the Main Office, by calling (201)955-5300 to share any observations, concerns, suggestions, and/or comments. You may also refer to our website for more information on this topic.

INFORMATION TO PARENTS/GUARDIANS

The Meadowlands Area YMCA is dedicated to providing you and your family with a safe, welcoming atmosphere in all of our programs. Our staff is critical to this goal. The YMCA has in place a comprehensive pre-employment screening procedure to screen-out staff not suited for working with children.

Additionally, our staff receives Child Abuse Prevention training and is required to adhere to a Code of Conduct, which prohibits staff in having planned contact with youth participants when they are off duty. Our Professional Directors welcome your suggestions, observations and/or comments.

EMPLOYEE CODE OF CONDUCT

1. In order to protect YMCA staff, volunteers, and program participants, at no time during a YMCA program may a staff person be alone with a single child where he or she cannot be observed by others. As staff supervise children, they should space themselves in such a way that other staff can see them.
2. Staff shall never leave a child unsupervised.
3. Restroom supervision: Staff will make sure the restroom is not occupied by suspicious or unknown individuals before allowing children to use the facilities. Staff will stand in the doorway of the restroom while children are using the restroom. This policy allows privacy for the children and protection for the staff (not being alone with a child). If staff is assisting younger children, doors to the facility must remain open. No child, regardless of age, should ever enter a bathroom alone on a field trip. Always send children in pairs, and whenever possible, with staff.
4. Staff should conduct or supervise private activities in pairs - diapering, putting on bathing suits, taking showers, etc. When this is not feasible, staff should be positioned so that they are visible to others.
5. Staff shall not abuse children including:
 - a. Physical abuse - to strike, spank, shake, slap;
 - b. Verbal abuse - to humiliate, degrade, threaten;
 - c. Sexual abuse - to inappropriately touch or speak;
 - d. Mental abuse - to shame, withhold kindness, be cruel
 - e. Neglect - to withhold food, water, basic care, etc.
 - f. No type of abuse will be tolerated and may be cause for immediate dismissal.
6. Staff must use positive techniques of guidance, including redirection, positive reinforcement, and encouragement rather than competition, comparison and criticism. Staff will have age-appropriate expectations and set up guidelines and environments that minimize the need for discipline. Physical restraint is used only in pre-determined situations (necessary to protect the child or other children from harm), is only administered in a prescribed manner, and must be documented in writing.
7. Staff will conduct a health check of each child, each day, as they enter the program, noting any fever, bumps, bruises, burns, etc. Questions or comments will be addressed to the parent or child in a non-threatening way. Any questionable marks or responses will be documented.
8. Staff will respond to children with respect and consideration and treat all children equally regardless of sex, race, religion, or culture.
9. Staff will respect children's rights to not be touched in ways that make them feel uncomfortable, and their right to say no. Other than diapering, children are not to be touched on areas of their bodies that would be covered by a bathing suit.
10. Staff will refrain from intimate displays of affection towards others in the presence of children, parents and staff.
11. While the YMCA does not discriminate against an individual's lifestyle, it does require that in the performance of their job, they will abide by the standards of conduct set forth by the YMCA.
12. Staff must appear clean, neat and appropriately attired.
13. Using, possessing, or being under the influence of alcohol or illegal drugs during working hours is prohibited.
14. Smoking or use of tobacco in the presence of children or parents during working hours is prohibited.
15. Profanity, inappropriate jokes, sharing intimate details of one's personal life and any kind of harassment in the presence of children or parents is prohibited.
16. Staff must be free of physical and psychological conditions that might adversely affect the children's physical or mental health. If in doubt, an expert should be consulted.
17. Staff will portray a positive role model for youth by maintaining an attitude of respect, loyalty, patience, courtesy, tact and maturity.
18. Staff may not be alone with children they meet in YMCA programs outside of the YMCA. This includes babysitting, sleepovers, and inviting children to your home. Any exceptions require a written explanation before the fact and are subject to administrator approval.
19. Staff members are not to transport children in their own vehicles.
20. Staff may not date program participants under the age of 18 years of age.
21. Under no circumstances should staff release children to anyone other than the authorized parent, guardian, or other adult authorized by the parent or guardian (written parent authorization on file with the YMCA.)
22. Staff are required to read and sign all policies related to identifying, documenting, and reporting child abuse and attend trainings on the subject, as instructed by a supervisor.
23. Staff will act in a caring, honest, respectful and responsible manner

EXPULSION POLICY

Unfortunately, there are sometimes reasons we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

The following are reasons we may have to expel or suspend a child from this center.

IMMEDIATE CAUSES FOR EXPULSION

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children.

PARENTAL ACTIONS FOR CHILD'S EXPULSION

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Habitual tardiness when picking up your child.
- Verbal abuse to staff.
- Other (Explain)

CHILD'S ACTIONS FOR EXPULSION

- Failure of child to adjust after a reasonable amount of time
- Uncontrollable tantrums/angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.
- Other (Explain)

SCHEDULE OF EXPULSION

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of the expulsion period and the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks' notice depending on the risk to other children's welfare or safety). Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

A CHILD WILL NOT BE EXPELLED IF A PARENT/GUARDIAN

- Made complaint to Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the center
- Questioned the center regarding policies and procedures.
- Without giving the parent sufficient time to make other child care arrangements.

PROACTIVE ACTIONS THAT CAN BE TAKEN IN ORDER TO PREVENT EXPULSIONS

- Try to redirect child from negative behavior.
- Reassess classroom environment, appropriateness of activities, supervision.
- Always use positive methods and language while disciplining children.
- Praise appropriate behaviors.
- Consistently apply consequences for rules.
- Give the child verbal warnings.
- Give the child time to regain control.
- Document the child's disruptive behavior and maintain confidentiality
- Give the parent/guardian written copies of the disruptive behavior that might lead to expulsion.
- Schedule a conference including the director, classroom staff, and parent/guardian to discuss how to promote positive behaviors.
- Give the parent literature of other resources regarding methods of improving behavior.
- Recommend an evaluation by professional consultation on premises.
- Recommend an evaluation by local school district study teams

GUIDELINES FOR POSITIVE DISCIPLINE

Positive discipline is a process of teaching children how to behave appropriately. Positive discipline respects the rights of the individual child, the group, and the adult. Methods of positive discipline shall be consistent with the age and developmental needs of the children and lead to the ability to develop and maintain self-control.

Positive discipline is different from punishment. Punishment tells children what they should **not** do; positive discipline tells children what they **should** do. Punishment teaches fear; positive discipline teaches self-esteem.

You can use positive discipline by planning ahead:

- Anticipate and eliminate potential problems.
- Have a few consistent, clear rules that are explained to children and understood by adults.
- Have a well-planned daily schedule.
- Plan for ample elements of fun and humor.
- Include some group decision making.
- Provide time and space for each child to be alone.
- Make it possible for each child to feel he/she has had some positive impact on the group.
- Provide the structure and support children need to resolve their differences.
- Share ownership and responsibility with the children. Talk about our room, our toys.

You can use positive discipline by intervening when necessary:

- Re-direct to a new activity to change the focus of a child's behavior.
- Provide individualized attention to help child deal with a particular situation.
- Use time-out – by removing a child for a few minutes from the area or activity so that he or she may gain self-control. (One minute for each year of the child's age is a good rule of thumb).
- Divert the child and remove from the area of conflict.
- Provide alternate activities and acceptable ways to release feelings.
- Point out natural or logical consequences of children's behavior.
- Offer a choice only if there are two acceptable options.
- Criticize the behavior, not the child. Don't say "bad boy" or "bad girl". Instead you might say "That is not allowed here."

You can use positive discipline by showing love and encouragement:

- Catch the child being good. Respond to and reinforce positive behavior; acknowledge or praise to let the child know you approve of what he/she is doing.
- Provide positive reinforcement through rewards for good behavior.
- Use encouragement rather than competition, comparison or criticism.
- Overlook small annoyances, and deliberately ignore provocations.
- Give hugs and caring to every child every day.
- Appreciate the child's point of view.
- E loving, but don't confuse loving with license.

Positive discipline is NOT:

- Disciplining a child for failing to eat or sleep or for soiling themselves.
- Hitting, shaking, or any other form of corporal punishment.
- Using abusive language, ridicule, harsh, humiliating or frightening treatment or any other form of emotional punishment of children.
- Engaging in or inflicting any form of child abuse and/or neglect.
- Withholding food, emotional responses, stimulation, or opportunities for rest or sleep.
- Requiring a child to remain silent or inactive for an inappropriately long period of time.

Positive discipline takes time, patience, repetition and the willingness to change the way you deal with children. But it's worth it, because positive discipline works.
